The registration form is within this packet with the other flyers.

The registration fee of $55.00 allows you to register for any or all of the events occurring on April 7 - April 9, 2015.
Please join the Wyoming Technology Transfer Center for our 20th Annual Transportation & Safety Congress in Casper on April 8 - 9, 2015. Registration includes breakfast both days, lunch, refreshments and all conference materials. Various manufacturers, suppliers, and contractors will be showcasing their products and services. Attendees will be able to see “what’s new” and discuss how to enhance the safety of their street/highway operations.

**Timely Topics**

A general discussion of timely topics at the national, state, and local levels will be presented. Data on all paved county roads has been collected in the summer of 2014. A comprehensive discussion of the data collected and how it can be utilized by counties will be presented at the safety congress.
